Deputy Commissioner.

To,

The Chief Secretary to the Govt.

of Mysore.

Sir,

I have the honor to submit for order papers endings with Hunsur Taluk Amildari report No 532, dated 21st August 1889, and Police Superintendent's No 917, dated 10th September 1889. They relate to the Municipality of Hunsur. The people residing within municipal limits find it inconvenient to be called upon to furnish the usual contingent for village watch, and prefer paying an extra cess by which they may be relieved of the aforesaid objection, and a corps special municipal Police may be maintained. As per Mahazar signed by most of the respectable residents of the place, (paper No 2 in the file A) the people agree to pay an extra 4 annas per Rupee of house tax. At this

rate

rate an extra income of Rs 447 may be expected, the house tax (both moities thereof) amounting to Rs 1488.

Out of this, there may be entertained
1 Duffedar on 8 Rupees, and
4 Constables on 6 Rupees each.
at a total Cost of Rs 384 per annum, which will leave a margin of Rs 63/. for clothing and Contingencies -
A tabular statement is appended.

2. I would recommend that the measure may be sanctioned.

I have the honor to be

reports that the annual yield
from the contribution was
Rs 350 being the average of the
last 3 years. The taxes
having since been increased,
the total demand having risen
to Rs 2178, people naturally
complained of the increased
ability devolving upon them
in as much as the ~~levy of 4 annas~~

raised. The Dy Coms therefore
recommends that the rate of
contribution may be reduced so
~~as 4 to 2 cts in the rupee~~,
that
~~thereby~~ the municipality ~~will~~ may
continue to derive nearly as much
as it was getting before from
contributions. The proposal may

But I respectfully beg to
suggest whether the people of
Khunsa may not altogether be
excused from payment of any
contribution, since in consideration

Sir,

In the Proc of 6/12/1889 No 6937 / 424 Govt authorized the levy of contribution from the towns people of Khunsa at the rate of 4 annas 4 on the Rupee of chokatisfa

With reference to para 10 of Govt Proceedings No 8854-9 L.F. 111-93 dated 6th December 93, I have the honor to state that in Proceedings No 6937-9/424 of 6th December 1889 Government ordered that the inhabitants of Hunsur might be relieved of the liability to make proper arrangements for the night watch of the town on condition of their paying a contribution of 4 annas in the Rupee of the Mohatarfa tax and that an additional Police consisting of 1 Daffe Sur and 4 constables should be entertained at a cost of Rs 447/- on account of this duty.

2. As the Mohatarfa taxes amount

amounted to only about Rs 1300/- until the revision of 1892-93, the sum actual-ly contributed by the inhabitants on this account did not exceed Rs 350/- and the balance was paid out of Municipal funds. In Government Proceedings No. 7-14 dated 14th October 1893, Government observed that this Municipality was maintaining its own Police and direct-ed that the Government share of the house and Mohatarfa taxes should be made over to it. In consequence of the revision of these taxes made in 1892-93 the total demand rose to Rs 2178. Some of the inhabitants com-plained of the enhancement in the rates, especially as the contribution on account of the Police charges would also become proportionately heavier. It was then decided that instead of a con-tribution of 4 annas in the Rupee a smaller rate should be adopted so as

to make the contribution not to exceed the average of the previous years

3 A sum of Rs 350/- alone was adopted as the estimated receipts from this source. Even this might be waived but for the heavy outlay which may have to be incurred in the sanitary department for providing pure drinking water and improving the sanitation of the town.

Sir

With reference to your endorsement memo no 1020/1204 dated 22.12.93/24-1-94 on Chief Secretary's memo no 9186/24161.92 dated 13-12-1893 Calling for a report on a petition from the inhabitants of Hensur in re Municipal List of Hensoor Town I have the honor to report as follows:-

The petitioners, residents of Hensoor pray for the revision of the Municipal List The list was examined in the presence of the Amildar and the Municipal " Commissioners Mepo P Hay, Madwa Row and another Mahomedan Gentleman whose name I do not remember. I went round the town with the list and " Examined a few of the houses and Shops as seemed to me to require revision and

reduced the tax ~~c~~ where
-ever needed. The two former gentlemen
agreed with me in the revision while the
Cabber i.e the Mahomedan Gentleman
did not.

Before issuing the list to the Taluk
for adoption I compared the rates with
those which obtain in Mysore and finding
my rates to be more favorable I issued
the list to the Taluk for adoption after
your approval.

There is an increase of Rupees 442
over last year in municipal tax proper
and Rupees 110½ in Police fund at 4
annas in the rupee of house tax or a
total of Rupees 552½ in all.

The petitioners Complaint is more
against the increase in Police fund than
against municipal tax proper their
reason being that Rupees 434. 2. 11 was
the maximum amount of the Police fund
originally fixed. The Complaint appears
reasonable. The municipal Strength of
the Police maintained from these
Contributions still remains the same

and no increase appears called for inasmuch as this force is in addition to the General Police force located at the Ibanour Kasba

Under present circumstances a distribution of the amount of Rupees 434-2-" over the increased municipal house tax would in my opinion be more equitable and to some extent lighten the burden of the inhabitants in the shape of this contribution. It will then be 3 annas and a few pies instead of 4 annas as at present. I would therefore suggest this revision of the contribution being made and if you approve the Jamabandi officer may be requested to do so

The endorsement directed in your Kannarese Yadi No 903 dated 18" December/93 will be issued on receipt of your reply to the above suggestion.

The merchants complained to the Office against of Mahalanga tax on 8th June 1893. The 2nd Revenue Assistant Commissioner was thereupon requested to submit his opinion with the list of revised Mahalanga. The Assistant Commissioner in submitting the list stated that he had inspected several houses during the Jamalandi and reduced the tax in cases where it had

MYSORE DEWAN'S OFFICE
PETITION DEPARTMENT.
REGD. N. 1171 R
DATE 6-11-93

The humble memorial of the inhabitant and numerous other merchants at Hunsur, Mysore District

Respectfully sheweth,

Overtaxing the Inhabitants.

That your humble memorialists beg to memorialize a few of their grievances which they are at present subjected to by the Municipal Officials, Hunsur, trusting you will kindly have a view and grant such order or orders as you may seem just on the subject,

That as suggested by the Amildar Hunsur to the higher Authorities to overtax on their shops and houses it has been revised for the 2nd time rates, on the ground that there are large buildings at Hunsur and the

carry on an extensive trade, thence
the Mohaterfa in a more indifferent way
that is making the inhabitants and
merchants to abide the order, failure of
which the property be seized,

That your humble memorialists have
after petitioning the "Jemabundi" Officer
represented to the Dy Commissioner, Mysore
District their inability to pay the heavy
tax levied on them unjustly and in reply
they were informed by No 273 dated 25th
July 93 of the "Jemabundi" Officer that
in accordance with the opinion formed
by Messrs Hay and Maddoo Rao, Municipal
Commissioners, Hunsur to exempt the
inhabitants from overtaxing, an order
has been given to the Amildar to collect
only the usual "Mohaturfa" and not
any increased rate, subsequently
after a period of two months notice

a copy of which is annexed Ratnal Sheramdo

and some others, demanding payment of Rs 8/12/4 this year as if the said Bhee - sail was assessed Rs 4/12/4 excess than the usual rate Rs 4/4, Copies of the above notices and the Endorsement of the Jemah Officer aswell are herewith attached,

In laying the above before you for your kind perusal your humble memorialists beg to state that the Hunsur is nothing but a Taluke town, Consisting of only a minor Municipality and the improvements of arts, manufactures, trade or Commerce are not like Mysore and Bangalore, the men who prepare and sell Carts at Hunsur are working only for 3 or 4 months during the season, they own both the wet and dry lands of a greater extent, paying annually to the Government Rs Twenty to one hundred, as they have chiefly Cultivation and through it ---

getting anything in Hunsur
inhabitants earn their bread by keeping
petty shops in the weekly market at
Hunsur and the adjoining villages -
Kumplapoor, Hunvey, Attigode and
Periapatna, while such being the
case your humble memorialists
have every right to say that the
Amildar has not only adopted a
wrong procedure but goes Counter
against the opinion of the Municipal
Commissioners by demanding such
payments unreasonably,

That your humble memorialists
were further taxed for both the profession
and the house, even if their shops were
opened in the same premises and your
humble memorialists honestly believe
that such collections are nothing but
molestation to the poor inhabitants,

That your humble memorialists
are also subjected to an additional basement

which ought to be deeply Considered to.

In fact there are none at Hunsur to hold the responsibility of the Amildar's doings about the Public safety.

That your humble monorialists therefore pray that you will Kindly have a view of this Case put before you and grant an order to exempt the poor inhabitants from paying the heavy tax which has now been unjustly levied on them by the misrepresentation to the Amildar, Hunsur, for which act of Kindness your humble shall as in duty bound ever pray for your long life and [illegible]
